

Engineered Floors LLC® is one of the largest and fastest-growing carpet mills in the world. We began production in 2009 with the most modern, eco-friendly equipment, facilities, and processes, as well as some of the most talented people in the industry. We serve the needs of the floorcovering specialty retailer with our Dream Weaver® brand; the new home builder with our DWellings® brand; property owners and managers of multifamily housing with our Engineered Floors® Multifamily brand; and the commercial market with our Pentz® brand.

ENVIRONMENTALLY FRIENDLY

OWN WITH CONFIDENCE

PureColor® is our proprietary brand of solution-dyed fiber that is used in every carpet we make. All of our carpets are warranted against staining, fading, soiling, abrasion, pet stains, manufacturer defects, and loss of texture retention.

DESIGNED FOR YOUR HOME

Our PureColor® Nylon and Polyester Collections offer a sophisticated balance of tweeds and tonals comprising vibrant accents, contemporary patterns and timeless loops. Each of these elegant styles is exceptionally beautiful, with natural colorations throughout each pallet. Additionally, the PureColor® Nylon and Polyester Collections offer extraordinary durability and advanced soil and stain resistance that can withstand the everyday mishaps of an active family, including your pet.
